

Ossiam World Minimum Variance NR UCITS ETF 1C (USD)

STRATEGY DESCRIPTION

The Minimum Variance strategy is an investment approach that aims at reducing volatility compared to market cap weighted equity benchmarks, while maintaining a high level of diversification.

The strategy uses estimates of individual stocks risks and correlations to construct a long only portfolio with defensive properties.

This approach is suitable for buy-and-hold investors with a multi-year time horizon seeking an equity exposure with significantly lower volatility

- Exposure to the equity risk premium
- Volatility reduction objective
- Benefit from the low volatility anomaly

IMPORTANT INFORMATION : The value of the investment and the income from it will vary and your initial investment amount cannot be guaranteed. ETFs trade on exchanges like stocks and are bought and sold at market prices which may be different from the net asset values of the ETFs.

Past performance is not a reliable indicator of future performance.

Risk Consideration. Please notice that the fund is subject to specific risks such as index risk, derivative and counterparty risk and geographic concentration, in addition to common market risk. To know more about these risks, please refer to the Key Investors Information Document and Prospectus prior to investing.

SYNTHETIC RISK & REWARD INDICATOR

The SRRI represents the risk and return profile as presented in the Key Investor Information Document (KIID). The lowest category does not imply that there is no risk. The SRRI is not guaranteed and may change over time.

This document is a document of a commercial nature and not a document of a regulatory nature.

Ossiam Lux (the SICAV) is organized as an investment company with variable capital under the laws of the Grand-Duchy of Luxembourg and was approved by the Luxembourg market authority CSSF on 22/04/2011 under the Visa 2011/74085-7020-0-PC. The SICAV has appointed Ossiam as its management company, responsible for the investment management, administration and distribution of the SICAV. The management company has appointed State Street Luxembourg as Administrative Agent, Paying Agent, Domiciliary and Corporate Agent, Registrar and Transfer Agent of the SICAV. Ossiam, a subsidiary of Natixis Investment Managers (formerly Natixis Global Asset Management), is a French asset manager authorized by the Autorité des Marchés Financiers (Agreement No. GP-10000016).

This content of this document has been approved by Ossiam, a French regulated management company operating in the UK under a UCITS passport for marketing. When provided in the UK, this document is distributed for information purposes only to Professional Clients or Eligible Counterparties for the purposes of the FSA Handbook and may not be relied or acted upon by any other person.
